PLANT AND BILLINGS

TO TRADE YACHTS.

Vanadis for the Kanawha and a Sum of Money.

Washington, D. C., Sept. 19.—"Mount Ararat, where there has hardly been a moment's peace since Noah and his Ark grounded upon its massive shoulder, is at present the huge, troubled boundary mark between the Ottoman Empire and Russia, and under the shadows of the historic peak the fighting lines of Osmanili and Russian have been swaying back and forth

of Money.

C. K. G. Billings has effected a deal with Morton F. Plat whereby he disposes of his yacht Vanadis to Mr. Plant in exchange for the latter's yacht Kanawha and a sum of money.

The Vanadis, of 1,092 tons, is 277 feet long. She was built in Glasgow from designs by Tams, Lemoine & Crane of New York (and is most luxuriously fitted out for cruising. She rammed the steamship Bunker Hill of the Metropolitan line in a fog in the Sound, June 12, killing two passengers on the steamship and injuring three others. Mr. and Mrs. Billings were aboard the yacht.

"I am sending you a picture of my little niece, Edith White. When only tan days old she was completely covered with little festers or sores and our physician said it was caused by a perfumed powder they were using and told them to stop using this powder and use Comfort Powder, which we did. It quickly healed the sores and her skin does not show a blemish. I have been a nurse for a number of years and can highly recommend Sykes' Comfort Powder."
